PROFESSIONAL SUMMARY

Accountant registered with the Regional Accounting Council of Paraná (CRC-PR), with a background in municipal taxation and industrial accounting. Works at a large manufacturer that reports to a U.S.-based controllership, with experience in SOX internal controls through evidence preparation for Key Report Testing. Pursuing a postgraduate degree in Auditing and Forensic Accounting, aiming for a career in audit and internal controls. Builds automation tools with AI in personal projects.

PROFESSIONAL EXPERIENCE

Comtrafo Indústria de Transformadores Elétricos S.A. Apr 2026 – Present
Accounting Assistant

- Preparation of evidence for Key Report Testing (SOX) and periodic analysis of the journal entry audit log for the corporate controllership.
- Reconciliations of payroll, federal taxes and receivables (expected credit loss allowance); revenue cut-off; month-end closing entries.
- ECF filing (annual corporate income tax return) and review of the IRPJ/CSLL computation workbook (actual profit regime).

Eletrotrafo Produtos Elétricos Ltda. Apr 2024 – Mar 2026
